The 20% booking fee is due upon signing this agreement and guarantees that "date/time" is confirmed for the agreed event specified here. In the event of a cancellation or date change, **every** attempt will be made to reschedule the job depending on photographer's calendar flexibility. Full event coverage starts with 'backstage' preparation and ends once celebrations are concluded. In the event of unforeseen sickness, the photographer **must** find a replacement professional within 24 hours of the event and professional credentials are subject to approval by the couple. Material is submitted in low res and high res link formats, plus flash-drive with final images, no watermarks. A set of **best-images** must be made available within 48 hours of event.

Pre-Wedding Consultation: Photographer(s) and assistant(s) are required to meeting with Clients up to 3 times prior to the event to discuss at length the proposed strategy and details of the photo-shoot. The Clients will outline in detail what is required and the Photographer will advise on planning, logistics and timings where needed. Photographers and assistant will arrive at the event with the event out-line plan to ensure all images are captured as previously discussed with Clients. Photographer(s) and assisting team are available to communicate additional event details via email anytime in the months prior to the event.
